

MODERN SLAVERY ACT 2015

Picker Institute Europe is not required to provide a statement under this Act as it is beneath the turnover threshold (Part 6, Section 54, Item 2, point b) currently assumed to be £36m per annum.

Picker's policy is to comply with all relevant UK legislation and also to ensure supply chain compliance with these requirements as far as is possible. Picker does not have a supply chain outside the EU.
